

DEVICE CONNECTIONS

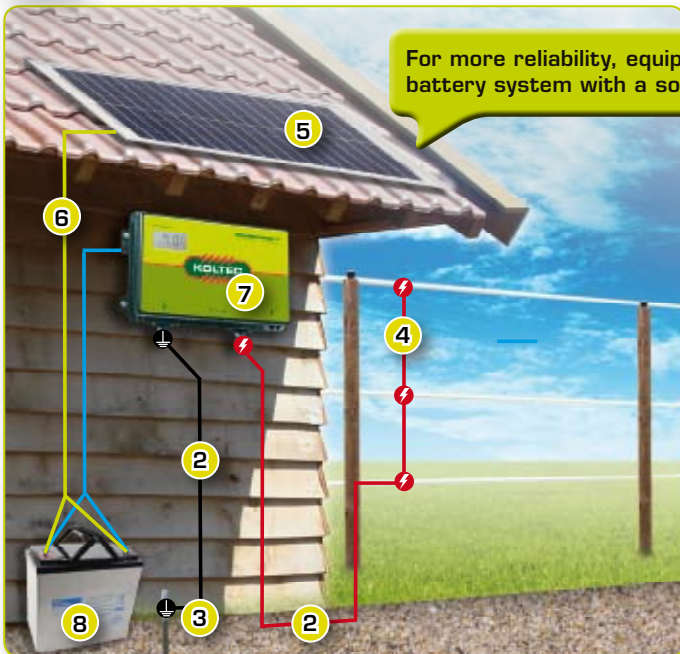

MAINS ENERGISERS 230 VOLT

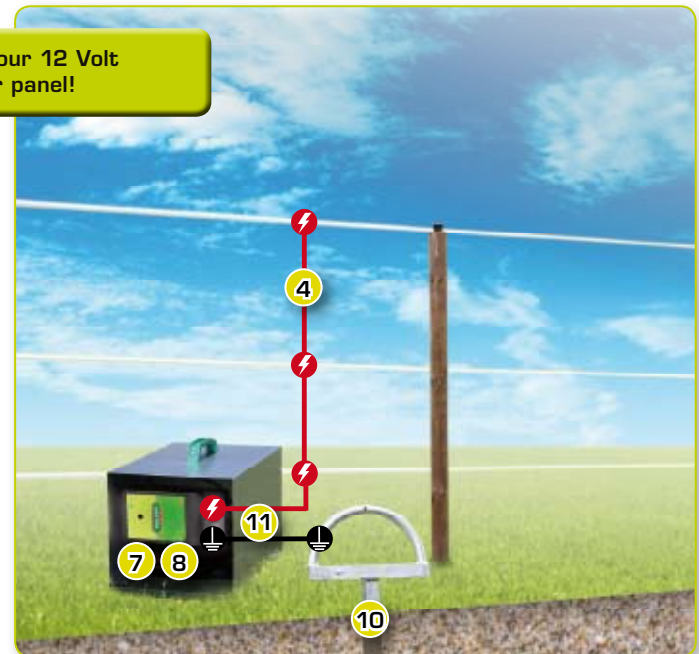

BATTERY ENERGISERS 9-12 VOLT

WET CELL BATTERY ENERGISERS 12 VOLT

For more reliability, equip your 12 Volt battery system with a solar panel!

1. MAINS ENERGISER
2. HIGHTENSION CABLE
3. EARTH STAKE
4. LINKING KIT
5. SOLAR PANEL
6. EXTENSION CABLE

7. WET CELL BATTERY ENERGISER
8. WET CELL BATTERY
9. BATTERY ENERGISER
10. MOBILE EARTH STAKE
11. CONNECTION KIT

KOLTEC TIP

If you have to connect your device to the grid by bridging a distance over 25 meter use the high voltage cable with 2.5 mm solid core.
